Judge Morris, of Maryland, Refuses to Uphold "Grand-

Battimore, Md., October 28.—In an opinion handed down to-day in the United States Circuit Court, Judge Morris declared an election law passed

at the last Legislature, affecting all
state elections, unconstitutional and
void.

At the session of 1908 a law was
passed which reads as follows: "All
male citizens of Annapolis, Md. of
twenty-one years or over who had

children of naturalized citizens all

States at a State election, and all
lawful male descendants of any person
who prior to January 1, 1888, was entitled to vote in Maryland or any other
State in the United States."

During the last registration in the
city of Annapolis, the Democratic reglistrars refused to register three nagroes, as they said that under the
law they were not entitled to vote at
a municipal election. The negroes

In giving his opinion, the court said:
"Upon the state of facts and of the supreme law of the land, have not the defendants, contrary to that law discriminated against the plaintiffs in denying them the right to vote because of their color and race, and liave not the statutes enacted for that purpose given them a right of action?"
